

Setting up your login/password

Using the link provided, you will need to create a password and confirm the same password before clicking 'Change Password'. This will give you access to your contract.

To login at any time

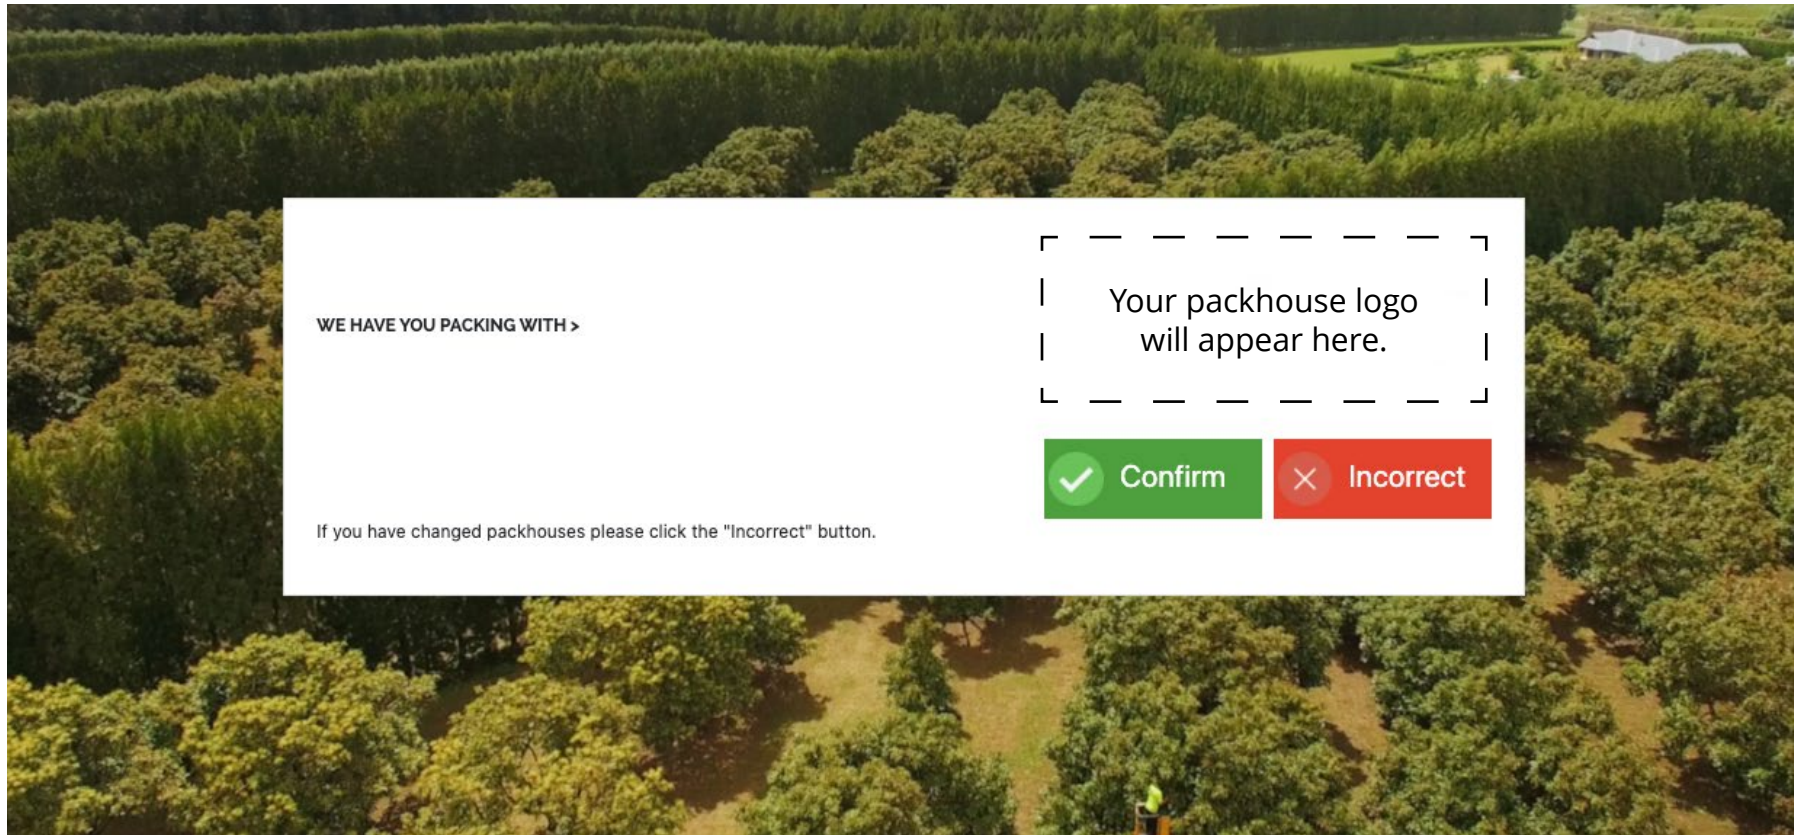

Once you have set your password, you can login at any time by simply entering your PPin number and the password you set up. Click the "I've lost my password" link if you can't remember the password you created to set a new one.

Confirm your packhouse

You will need to confirm if the packhouse we have for you is correct.

If the packhouse we have listed for you is incorrect, click "Incorrect" and one of our representatives will contact you – at this stage you won't be able to progress to your contract until we have updated your details with the correct packhouse.

Online Agreement Submission

Step 1. Check your details

Most of your details will be pre-populated, we just need you to check to ensure that they are correct and update details/complete blank fields where necessary.

The form requires each field to be filled in, if you leave a field blank you won't be able to submit the form. If any field does not apply to you, please enter N/A.

Some fields have specific requirements, for example the Orchard Legal Name. We require such fields to be accurate and complete due to auditing purposes with the Food Act, Global Gap.

If you need assistance with getting your GPS Coordinates or how to calculate your canopy hectares, you can click on the text links which will open a guide on how to do this.

Once you have ensured everything is correct and ALL orchard details are filled in, you can then to click the check box to confirm.

At any time, you can access the pool payment schedule and Team Avocado export agreement for the season by clicking on the thumbnails at the top right of the form.

Step 2. Confirm all details above are correct

After updating your details, please tick to confirm that your details are up to date and correct, and then "Save Changes".

Step 2 : Confirm all details above are correct
