Confirm your packhouse

You will need to confirm that the packhouse we have for you is correct.

If the packhouse we have listed for you is incorrect, click “Incorrect” and one of our representatives will contact you. At this stage you won’t be able to progress further until we have updated your details with the correct packhouse.

Online Agreement Submission

Step 1. Check that your details are correct

- Most of your details will be pre-populated, however we do ask for you to carefully check to ensure that they are correct. Please update details where necessary.
- The form requires each field filled to be in. If you leave a field blank, you will not be able to submit the form.
- Some fields have specific requirements, for example the Orchard Legal Name. We require such fields to be accurate and complete to ensure that AVOCO complies with the Food Act 2014 and Global G.A.P.
- When everything is checked and correct, you can then proceed to Step 2.

Step 2. Confirm all details are correct and save changes

- This step is simply asking for you to confirm that the details provided are up to date and correct. Ensure you click 'Save Changes'.

Step 3. Read your 2024/25 Primor Avocado Agreement

- You will need to open and view the Agreement Document before ticking the box. By ticking the box, it means that you have read, understand, and agree to this document.

Step 4. Submit your agreement

- Click 'Submit Supply Agreement'. You have now completed this year's contract and will be emailed a summary of your details.
